D.O. No. NCHM-10104/2/2023-ADMIN

Dear Principal,

As you are aware, the National Council for Hotel Management & Catering Technology (NCHMCT) has initiated the process of conducting the **Online Entrance Test (OET)** for filling the residual vacancies in the **Three-Year B.Sc. (Hospitality & Hotel Administration) Programme** for the Academic Session **2026-27**.

2. In continuation of this office D.O. Letter of even number dated **19.06.2026** regarding the conduct of **OET Round-I**, I am pleased to inform you that the **Online Registration Portal** for OET Round-I has now been made operational. The OET Round-I Examination, originally scheduled to be held on **30.06.2026**, has been **rescheduled** and shall now be conducted on **03.07.2026 (Friday) from 11:00 AM to 12:00 Noon**.

The **Institutional Login Portal** for registration of candidates is available at the following link:

OET Registration Portal (Institutional Login): <https://nchmct.in>

The **User ID and default Password** for Institutional Login are enclosed herewith. You are requested to log in to the portal at the earliest and change the default password immediately after the first login to ensure the security of your institutional account.

3. All affiliated Institutes are requested to actively mobilise eligible candidates and facilitate their registration through the Institutional Login. The particulars of each candidate should be entered carefully on the portal. After successful registration, the following documents shall be uploaded in **JPG/JPEG** format, with each file not exceeding **200 KB**:

- Scanned signature of the candidate in Blue or Black ink on a plain white background;
- Recent coloured passport-size photograph; and
- Valid Government-issued Photo Identity Card.

Institutes may also utilise the Institutional Login facility to register candidates who approach the Institute for assistance in completing the online registration process.

Candidates who are able to complete the registration independently may also register themselves through the **Candidate Login** available on the Admission Portal. In such cases, the responsibility for furnishing correct particulars, uploading the prescribed documents and remitting the Registration Fee shall rest with the candidate.

Wherever feasible, Institutes are requested to extend necessary assistance by providing access to their computer facilities and internet connectivity to candidates who may not have adequate digital resources for completing the registration process or appearing in the OET.

4. Every candidate registering through the OET process is required to remit a **non-refundable and non-adjustable Registration Fee of ₹2,000/- (Rupees Two Thousand only)**. In cases where candidates are registered through the Institutional Login, the concerned Institute shall collect the Registration Fee from the candidates and remit the same to NCHMCT through the online payment mechanism available on the portal.

6. The OET shall be conducted in **online mode** and shall have a duration of **60 minutes**, comprising **60 Multiple Choice Questions (MCQs)** distributed as under:

Candidates may appear in the examination from any location using a desktop computer, laptop, tablet or smartphone with a stable internet connection.

The examination link shall be made available on the Admission Portal **one day prior to the date of examination**. The concerned Institute shall ensure that all registered candidates are informed well in advance regarding their Roll Numbers, the examination schedule and the examination link.

The **Roll Number** generated after successful registration shall be required for accessing the online examination. Institutes are advised to communicate the Roll Number to the respective candidates immediately after registration and advise them to preserve the Roll Number and login credentials carefully. Candidates accepting the allotted seat shall be required to deposit the **Seat Acceptance Fee (SAF)** of ₹20,000/- within the timeline displayed on the Admission Portal. Where payment is facilitated through the Institute, the Institute shall collect the SAF from the candidates and remit the same to NCHMCT through the online payment mechanism available on the portal in a consolidated manner. Upon successful remittance, the Institute shall be able to download the **Seat Allotment Letter** of the respective candidates.

Institutes are also requested to remind candidates to check their registered Email ID (including the Spam/Junk Folder) and the NCHMCT Website (www.nchm.gov.in) for examination updates, result declaration, seat allotment and other important communications. NCHMCT shall not be responsible for any delay arising due to non-receipt of emails or failure on the part of the candidate to regularly check the NCHMCT Website/ delay in communication on the part of the Institute.

8. I would request you to undertake extensive publicity and outreach initiatives through your Institute's website, social media platforms, alumni network, schools, coaching institutions and other local outreach activities so as to maximise participation in the OET process and improve admissions to the B.Sc. (Hospitality & Hotel Administration) Programme.

9. As admissions are critical to the growth, visibility and long-term sustainability of our Institutions, I would request you to personally monitor the registration process. It would also be desirable to designate a **Nodal Officer** for coordinating candidate registration, payment reconciliation and communication with NCHMCT so that any operational issues may be resolved promptly and every eligible candidate desirous of seeking admission is provided timely assistance and guidance.

10. I look forward to your wholehearted support and active cooperation in making the OET admission process a resounding success.

Yours sincerely,

(Dr. Sagnik Chowdhury)
Director (Administration & Finance)
